

Coming Together for Nutrition in India

2007 to 2020

2007

- NFHS-3 results highlight India's slow progress on nutrition;
- Multi-stakeholder nutrition conclave, hosted by Professor MS Swaminathan, laid foundation for broad stakeholder coalition for nutrition;
- First Lancet Series on Maternal and Child Nutrition launched;

2009-10

Nutrition Coalition launches the first Leadership Agenda for Action, emphasizing focus on first 1000 days, essential nutrition actions, and role of leadership.

2013

- Second Lancet Series on Maternal and Child Undernutrition launched;
- Costed Block Operational Plan which mandated Whole of Society approach and intersectionality/convergence closest to the community and its inclusion in the Government's Five-Year Plan Document;

2014

Second edition of Leadership Agenda for Nutrition, updated by wide range of stakeholders with Coalition for Food and Nutrition Security (CFNS).

2017

NFHS-4 results highlight continued nutrition challenge but also identifies nutrition successes in key states in India.

2018

India's National Nutrition Mission (POSHAN Abhiyaan) launched, emphasizing convergence and the leadership role across Ministries to help achieve malnutrition free India. Launch of Jan Andolan against Malnutrition by Hon'ble Prime Minister of India.

2020

In context of COVID-19, launch of renewed Commitment to Action – for stakeholders to regroup around preserving progress on nutrition in India. Developed by core group and signed-off on by 180+ stakeholders across academic, development partners, civil society and more.
